Our wide range of online courses written by industry experts allow you and your team to be compliant whilst benefitting from the flexibility of everywhere learning – not limited by place or time.

We have over 100 courses to choose from, including Health and Safety, Business Skills, Construction Safety, Hospitality, Food Hygiene, Employee Wellbeing, Fire Safety, and more.

We also provide bespoke face-to-face training e.g., site safety awareness, manual handling, and working at height. Our courses have the appropriate approvals and accreditations from highly regarded organisations and contribute to CPD.

Individual eLearning courses are priced from just £15. Contact us to discuss bulk discounts or unlimited access subscriptions. Optimum Safety's valued clients also receive a further 20% reduction on all listed prices.

To buy our courses, or for further information, contact the team using our contact details at the bottom of this leaflet.
